

# Before you visit Lindengate

We are based next to Dobbies Garden centre, Wendover and access is gained through the car park, on the left hand side, where there is ample free parking.

Lindengate is a 5 acre site and we will be ensuring that everyone has time to find the space to breathe, this may mean that you have a wait before entering the site.

- We will need to see some work ID before entering the site
- Don't forget to wear appropriate clothing and footwear for the outdoors
- The use of hand sanitiser is requested on entry and exit
- The use of PPE whilst visiting Lindengate is optional, but will be available for those that wish to use it
- Lindengate Volunteers will be available on site should you need any assistance
- There is no access to toilets on site, but if Dobbies Garden Centre is open, you will be able to use their facilities
- You may wish to bring your own refreshments

We are used to welcoming visitors throughout the year and have ample undercover areas, for you to enjoy the gardens, whatever the weather.
