### The Hughenden Street Association vision

For community life in Hughenden Parish to become better connected, supportive/supported, stronger and friendlier so that all residents are involved in it to the level they desire. This means working to create safer and connected communities encouraging residents to identify the needs of their neighbours to help them engage in the community. The Association has a key role to play in helping develop links to existing facilities whilst also working to support community groups to reach out to as many residents as possible.

So much has been achieved by the Street Association with more still to do together. Take a look: <http://bit.ly/2Skst40> PLEASE SHARE THIS NEWSLETTER

### Preventing Doorstep Thefts

Planning on doing some online shopping?

If you're not going to be home when your parcels are delivered organise an alternative:

– this could be a 'safe place', leaving the parcel with a neighbour or re-arranging your delivery to when you are in. Also consider what empty boxes you leave outside, this advertises what you have outside.

### Rural Policing Update

Rural crime continues to be a significant concern for communities in South Buckinghamshire, but recent successes demonstrate the effectiveness of Proactive Policing and strong Partnerships with Local Landowners and Rural Groups. South Buckinghamshire's Rural Neighbourhood Teams have been working diligently to combat offences such as poaching, theft, and environmental crime, creating a safer and more secure environment for the region.

### Recent Good News Stories

In a notable case of collaboration, officers charged two individuals for poaching offences on the Carrington Estate in Little Marlow. This success reflects the dedication of both law enforcement and estate gamekeepers in protecting the rural landscape from illegal activity. Additionally, several Community Protection Warnings have been issued for poaching incidents across the Carrington, Portman, and Hall Barn Estates. These estates have embraced the South Buckinghamshire's Rural Neighbourhood Teams philosophy, fostering a strong working relationship between Officers and Gamekeepers. The partnerships built with these Estates are a testament to the shared commitment to preserving the rural environment and deterring criminal activity.
