The Hughenden Street Association vision

For community life in Hughenden Parish to become better connected, supportive/supported, stronger and friendlier so that all residents are involved in it to the level they desire. This means working to create safer and connected communities encouraging residents to identify the needs of their neighbours to help them engage in the community. The Association has a key role to play in helping develop links to existing facilities whilst also working to support community groups to reach out to as many residents as possible.

So much has been achieved by the Street Association with more still to do together. Take a look: <http://bit.ly/2Skst40>

Season's Greetings

Christmas is almost here, and everyone involved with the Association would like to send season's greetings to Hughenden residents. Thank you for your continuing support and feedback. All very much appreciated. We hope that you have a lovely festive time and enjoy the opportunity to relax and recharge in readiness for 2024.

The next issue of the newsletter will be published on 11th January 2024.

Here's an idea

This January start the year with an empty jar. Each week add a note with a good thing that happened.

On New Year's Eve empty the jar and read about the amazing year you had.

Get Active This Christmas, says Bucks Council!

Being active can hugely benefit your physical and mental health, and with [BetterPoints Bucks](#) you'll be earning points which can then be exchanged for high street shopping vouchers which can help during what can be an expensive time of the year, or you can donate to charities! Throughout December there's weekly Gift of Giving prize draws. Every friend you refer will earn you an entry into the draw for 10,000 BetterPoints (£10) - plus a £20 donation to the local charity of your choice. There will be four winners on Fridays 8th, 15th and 22nd December.

We're also giving away £50 in BetterPoints in our daily Christmas Countdown draws. Every car-free trip of half a mile or more will earn you an entry into the draw, up to four entries per day. Walk, wheel, cycle and use public transport as much as you can to maximise your chances of winning! There'll be thirteen winners every day! That's 328 winners in December. Enjoy your car-free festive travel - and good luck! Earn your points by being active, accessing local health and wellbeing sessions, or even taking the bus. You will also be in with a chance of winning prize draws, swimming lessons, gym memberships, theatre tickets or days out for the family.
