### The Hughenden Street Association vision

For community life in Hughenden Parish to become better connected, supportive/supported, stronger and friendlier so that all residents are involved in it to the level they desire. This means working to create safer and connected communities encouraging residents to identify the needs of their neighbours to help them engage in the community. The Association has a key role to play in helping develop links to existing facilities whilst also working to support community groups to reach out to as many residents as possible.

So much has been achieved by the Street Association with more still to do together. Take a look: <http://bit.ly/2Skst40>

### New Year Resolutions

Do you make New Year Resolutions.....and stick to them? We all mean well however it is all too easy to give up. Gym membership is probably one of the most often-quoted resolutions that barely survives January! Having the right support can make all the difference. Growing concern about our planet and our physical well-being during these challenging times has created a huge amount of online and in-person support. This week the focus is on the planet.

The [Wildlife Trust](#) and [Greenpeace](#) have some great suggestions:

As the new year begins, you may be asking – *how can I live a more climate-friendly life in 2024?*

Well, you're in luck! Apart from being delicious, eating more plant-based meals is one of the most effective ways to reduce our carbon footprint and have a positive impact on the climate, help stop deforestation and biodiversity loss, plus save water too. Hurray!

From January 1st to January 31st, lots of people will be taking part in [Veganuary](#), a month-long opportunity to explore plant-based food, with recipes, meal plans and helpful tips straight into your inbox. Last year 5,000 Greenpeace supporters gave it a try - will you join them and give it a go this year?

### Buckinghamshire WASTE BUSTERS

Garden Organic and Buckinghamshire Council are looking for volunteers to support residents with reducing, reusing, repairing, composting and recycling.

You don't need to be an expert as full training is provided and it's totally up to you how much time you offer and which parts of the programme you support, e.g: stands at events, talks to adults & children or just supporting people locally.

Contact Viv Stein at [vstein@gardenorganic.org.uk](mailto:vstein@gardenorganic.org.uk) for more.

Buckinghamshire Council

### School Governor Opportunity

Princes Risborough Primary School is looking for a new community governor. School Governors have 3 core functions:

- ✓ Planning the strategic direction of the school;
- ✓ Overseeing financial performance and ensuring money is well spent; and
- ✓ Holding the Headteacher or school leadership to account

The school's Governing Board meet two or three times each term, on a Thursday evening. It is not involved with the day-to-day running of the school. Interested in finding out more? Contact the Chair of Governors via the School Office:
