The Hughenden Street Association vision

For community life in Hughenden Parish to become better connected, supportive/supported, stronger and friendlier so that all residents are involved in it to the level they desire. This means working to create safer and connected communities encouraging residents to identify the needs of their neighbours to help them engage in the community. The Association has a key role to play in helping develop links to existing facilities whilst also working to support community groups to reach out to as many residents as possible.

So much has been achieved by the Street Association with more still to do together. Take a look: <http://bit.ly/2Skst40> PLEASE SHARE THIS NEWSLETTER

Phishing Attacks – Your Response

Make yourself a harder target

Information from your website or social media accounts leaves a 'digital footprint' that can be exploited by criminals. You can make yourself less likely to be phished by doing the following:

Criminals use publicly available information about you to make their phishing emails appear convincing. Review your privacy settings, and think about what you post.

Be aware what your friends, family and colleagues say about you online, as this can also reveal information that can be used to target you.

If you have received an email which you're not quite sure about, forward it to the NCSC's suspicious Email Reporting Service (SERS): report@phishing.gov.uk

What to do if you've already clicked?

The most important thing to do is not to panic. There are number of practical steps you can take:

Open your antivirus (AV) software, and run a full scan. Follow any instructions given.

If you've been tricked into providing your password, you should change your passwords on all your other accounts.

If you have lost money, you need to report it as a crime to Action Fraud. You can do this by visiting www.actionfraud.police.uk.

For more information on cyber crime or to report a fraud visit: www.actionfraud.police.uk

Pension Credit

It would seem that around 800,000 pensioners entitled to pension credit don't claim it. If you are aged over 66, you can quickly check if you are entitled, says money expert Paul Lewis (@paullewisemoney). Click [HERE](#) to find out.

Dementia: Post-Diagnostic Care

Our partner, **Wycombe District Dementia Action** (WDDA) is keen to encourage residents to lobby their local MP about the lack of post-diagnostic care for people living with dementia.

According to Helen who is a **Dementia UK** supporter whilst there is an assessment form for Continuing Health Care (CHC), it was difficult to complete and if she applied too early she might not be successful (according to her GP).

Read her full story [HERE](#). In the meantime, you might like to lobby local MP, Greg Smith, to ensure that this issue is given the priority it needs. Click [HERE](#) to access an easy way to do this online. You can edit your message to personalise it which tends to increase the likelihood of receiving a personal response too! 😊
