### The Hughenden Street Association vision

For community life in Hughenden Parish to become better connected, supportive/supported, stronger and friendlier so that all residents are involved in it to the level they desire. This means working to create safer and connected communities encouraging residents to identify the needs of their neighbours to help them engage in the community. The Association has a key role to play in helping develop links to existing facilities whilst also working to support community groups to reach out to as many residents as possible.

So much has been achieved by the Street Association with more still to do together. Take a look: <http://bit.ly/2Skst40> PLEASE SHARE THIS NEWSLETTER

### Local Cycling and Walking Infrastructure Plan

A bit of a mouthful so we will call it the LCWIP for short! An important opportunity to influence the plans of Bucks Council in this key area.

Getting more people to walk and cycle is something of a challenge as we rely so much on cars to get about. Equally important are the needs of wheelchair users. We all experience positive health benefits by being able to get out and about without using our cars.

**Bucks Council** is keen to hear from **YOU** as it develops the LCWIP. Find out more [HERE](#).

### Bucks Council: Money Matters

The **Cost Of Living Crisis** continues to affect many people and how public funding is spent remains important. Have your say on local spending priorities for 2025 to 2026 [HERE](#). At the same time, you will find out more about the pressures all councils are facing and the stark choices that continue to need to be made. There is no doubt that the Autumn Budget is going to be tough – it is being well-trailed as such – so having your local say really is important.

### Great Kingshill Residents' Association AGM

Being able to influence and support local initiatives is something HSA is keen to promote. Our communities only thrive if as many people as possible get involved. There are many ways to do this, of course. Attending events is one way and another – an important precursor to having events to attend is helping to shape what goes on. Great Kingshill RA is keen to hear what local residents think. Why not go along to the **AGM on Sunday 22<sup>nd</sup> September at 7.00pm** to be part of the conversation? Refreshments will be provided
