Issue 35, 25th February 2021

The Hughenden Street Association vision:

For community life in Hughenden Parish to become better connected, supportive/supported, stronger and friendlier so that all residents are involved in it to the level they desire. This means working to create safer and connected communities encouraging residents to identify the needs of their neighbours to help them engage in the community. The Association has a key role to play in helping develop links to existing facilities whilst also working to support community groups to reach out to as many residents as possible.

So much has been achieved by the Street Association with more still to do together. Take a look: <http://bit.ly/2Skst40>

Catch up with the Thames Police Chief Constable

Tonight at 7.00pm you can join in a conversation with the **Chief Constable** on Facebook.

This is your chance to ask the Chief about what is happening with policing across the Thames Valley!

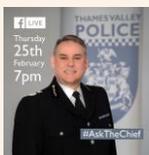

- Covid-19 and policing?
- Current crime trends?
- What does 2021 look like for TVP?
- ...Favourite football team?

Date: Thursday 25 February – **TONIGHT!**

Time: 7pm

Location: Tune in and join us via the main Thames Valley Police Facebook account or search for @thamesvp

If you have a specific question send it to alert@neighbourhoodalert.co.uk

Scam Champion: why not become one?

Friends Against Scams is keen to continue recruiting Scam Champions. This will be particularly important as the lockdown is eased and we slowly begin to meet again. The current training is simple and online. Follow the link to find out more: <http://bit.ly/2ZKQfLr>

In next week's newsletter we will be promoting becoming a **Scam Marshal** – from victim to champion!

Online discussion on developing the Covid19 vaccine, 17th March at 7pm

The public are invited to join healthcare specialists working in Covid19 vaccine research in the south of England to learn about what health specialists know about the current vaccines so far, and the role research can continue to play. The panel of experts will seek to answer questions, including:
How was the vaccine developed and approved so quickly?
Why do we need more vaccine research?
What research is being conducted into groups that cannot have the licensed vaccines, pregnant women and children?

Spotlight On: 5 Fearless.org

The recent **Wycombe Neighbourhood Watch** meeting included a presentation about a youth service run by the charity **Crimestoppers**. **Fearless.org** is aimed at young people aged between 11 and 19 and seeks to fully inform them about the reality of crime and criminality in a non-judgemental way, to steer them away from making wrong choices and to reduce the likelihood of them or their peers becoming involved in criminality. **Fearless.org** also enables young people to pass on any crime information 100% anonymously via its website. There is an online form that does not ask for any personal information so the young person can be totally confident that the source of the information cannot ever be revealed. A short video explains how it all works: <https://bit.ly/3aQGstL>

The website also has a useful A-Z of crime types which is a good way of helping youngsters to understand what is a crime. Certainly worth a look and do point any young people you know toward **Fearless.org** to help them understand what is a crime and the potential implications. Some may be obvious, others however may not. <http://bit.ly/3uveSK7>

Did you know that **Crimestoppers** is a charity independent of the police and that anonymity is guaranteed? Find out more by watching this short video: <https://bit.ly/3dKGp4m>

Quiz time

Independent Age has produced a useful quiz on **how to stay safe at home**. Do you know how often you should replace your smoke alarm? Find the answer in the quiz: <http://bit.ly/3kkwUu3> The quiz has an audio version too! Find out more about the charity by following the link: <http://bit.ly/2ZOlg0Q>

Are you getting enough exercise?

How much exercise is '**enough**'? Well that will depend on several factors including your age. Follow the link for you below to guide you:
