Issue 40, 1<sup>st</sup> April 2021

### The Hughenden Street Association vision:

*For community life in Hughenden Parish to become better connected, supportive/supported, stronger and friendlier so that all residents are involved in it to the level they desire. This means working to create safer and connected communities encouraging residents to identify the needs of their neighbours to help them engage in the community. The Association has a key role to play in helping develop links to existing facilities whilst also working to support community groups to reach out to as many residents as possible.*

*So much has been achieved by the Street Association with more still to do together. Take a look: <http://bit.ly/2Skst40>*

### Thoughts from the Vicarage

Thank goodness Spring is here. We have enjoyed some decent weather this week, and if Boris' timetable is still on track, before too long, we will be able to meet up with more friends and family. There is a lot to be thankful for right now. I cannot wait to be able to welcome back congregations at Hughenden Church from Easter Sunday. For Christians it is a big day of celebration, and we are planning an open-air service in the churchyard, where singing will once again be permitted. Oh how we have missed singing!

A common theme which has cropped up time and again in the last 12 months, is a growing appreciation which we now found for people and freedoms which we took for granted for so long, which now seem precious, to be savoured. I wonder what are you most looking forward to doing, or who can't you wait to meet again in person?

Thanks to the amazing work of our NHS, drugs companies like Astra-Zeneca and a remarkable operation to vaccinate the population, we can all now look forward to a brighter summer. However, some individuals have lost a great deal. During a national day of reflection, organised recently by Marie Curie, we spent a day remembering all those who have passed away to covid, those mourning their loss, and those still struggling with ill-health.

Much will return to normal, but I am sure there will continue to be a greater appreciation for our doctors and nurses, our teachers and emergency services, all key workers, and those who have gone above and beyond the call in extraordinary times.

On Easter Day, as a Christian, I will be celebrating the resurrection of Jesus Christ, which fills me with hope for a new dawn.

I hope that your summer is filled with times to be treasured. Happy Easter

Keith

### Neighbourhood Action alert: Letter box theft

There have been reports of people behaving suspiciously looking into and delving into external letterboxes in Great Kingshill. The purpose is twofold, to steal anything of value (including new credit cards) or to steal your identity from the information they find. Please check your external mailboxes are secure. Reports from Hazlemere are of cars following mail vans presumably for the same purpose. Even more worrying is a report of the removal of a Royal Mail post-box from its location in Hughenden Valley opposite the Harrow Pub. Please report anything suspicious to the police.

### Spotlight On: High Wycombe Street Association

*Hughenden Street Association is delighted to have been involved in the planning of the High Wycombe Street Association network and congratulates the team at High Wycombe Mutual Aid. If you know anyone living in High Wycombe do share the following information:*

“With support from Buckinghamshire Council, we have set up an exciting new project called Wycombe Street Associations Network. We are looking for Street Reps, who could become a point of contact and support for their road, close or flats.

Many High Wycombe residents have been negatively affected by the pandemic and the resulting lockdowns. Despite the many amazing organisations and services that are available to help, there are still many residents who are not receiving the support they need. The pandemic has taught us the importance of community support and as a Street Rep you could help to connect neighbours in need of support to appropriate services and community groups. In turn our team will be here to encourage and support you with advice and resources to help make your street friendlier and more supportive.

No prior experience and no DBS is required to become a Street Rep. You can choose the number of houses/ flats you would like to cover and you can give as much, or as little time as you like.

To learn more about the project, visit our website or email us at [wycombestreetreps@gmail.com](mailto:wycombestreetreps@gmail.com) “
