The Hughenden Street Association vision:

For community life in Hughenden Parish to become better connected, supportive/supported, stronger and friendlier so that all residents are involved in it to the level they desire. This means working to create safer and connected communities encouraging residents to identify the needs of their neighbours to help them engage in the community. The Association has a key role to play in helping develop links to existing facilities whilst also working to support community groups to reach out to as many residents as possible.

So much has been achieved by the Street Association with more still to do together. Take a look: <http://bit.ly/2Skst40>

Friends Against Scams – happy birthday!

After launching five years ago, we've introduced several initiatives alongside becoming a Friend to help spread awareness of scams. These include Scam Marshals, SCAMchampions, BAS & Young Friends – find out which of these could work for you! <https://bit.ly/3G4dpjJ>

International Stammering Awareness Day

Friday 22nd October 2021

Established in 1998, **International Stammering Awareness Day** brings attention to the millions of people around the world living with a stammer.

Usually when people refer to stammering, they imagine the repetition of a specific word; however stammering comes in many other forms, including elongation of a vowel or syllable. This unique way of speaking is also variable, meaning that a stammer can change over time.

This day is to raise the awareness of stammering and encourages all people to learn something new and get involved to address the many stigmas associated with a stammer and those living with this unique way of speaking. There is a range of resources available to support someone who stammers: <https://stamma.org/news-features>

USA President Joe Biden has worked hard to overcome his stammer. The video showing his support for a young lad with a stammer went viral. Did you see it? Watch it [HERE](#).

Lighting up Hughenden 2021

Following on from the success of our first 'Light Up Hughenden' and a more muted version last year, we really want to encourage everyone to get involved. This is the chance to showcase your lights and bring a smile to everyone's face! It is not too early to start planning as the shops will soon be filled with festive lights (fingers crossed!). Let's light up Hughenden by mid-December!!

Scam report: Are you one of 45 million?

A recently published report has confirmed that 45 million people have been subjected to a scam during the pandemic. Read [HERE](#) what the Government is planning to do to address this. We all need to remain vigilant for ourselves and our vulnerable neighbours and friends.
