### The Hughenden Street Association vision:

For community life in Hughenden Parish to become better connected, supportive/supported, stronger and friendlier so that all residents are involved in it to the level they desire. This means working to create safer and connected communities encouraging residents to identify the needs of their neighbours to help them engage in the community. The Association has a key role to play in helping develop links to existing facilities whilst also working to support community groups to reach out to as many residents as possible.

So much has been achieved by the Street Association with more still to do together. Take a look: <http://bit.ly/2Skst40>

### Lighting up Hughenden 2021 begins

#### Widmer End Residents Association

is asking residents to turn on their Christmas lights at 5.30pm on Saturday 4<sup>th</sup> December before heading up to the Green at the top of Georges Hill for some carol singing.

Mulled wine and mince pies will be served.

A sociable start to the festive season!

### Top Three Scams so far in 2021 in America

It is interesting to note that many of the scams we experience in the UK are familiar 'across the pond'. Scamming is a truly global concern. It is essential that we all remain vigilant and report any incidents to Action Fraud: <https://bit.ly/3rm2WJv>

#### Authorised Push Payments (APP)

APP fraud – where fraudsters trick you into forwarding money from your account to theirs – cost consumers more than £207 million in the first half of 2020, according to UK Finance, the trade body representing financial firms.

#### Account takeover

Account takeover is essentially online identity theft. It involves criminals who pose as you to gain access to one or more of your accounts, and then use that access to carry out unauthorised transactions.

For example, a fraudster could get into your current account using stolen credentials and use it to make transfers to other accounts. They may also change your account details to lock you out or cover their tracks, while some criminals will sell access to your account on to other fraudsters.

#### New account fraud

Like account takeover fraud, criminals will use stolen credentials to open new accounts in your name. For example, a fraudster could get hold of your personal information on the dark web before using it to bypass identity verification checks and open a new loan account.

### Alcohol Awareness Week: 15<sup>th</sup> – 22<sup>nd</sup> November

This year's theme is 'Alcohol and Relationships'. The pandemic has thrown into sharp focus the stresses and strains of being together, often 24/7 for long periods. The impact on our mental well-being must also not be underestimated.

There is plenty of advice and guidance around how to manage our alcohol intake so that we can enjoy a festive drink with friends and family. We all should be aware of how much we drink as part of looking after ourselves. Click [HERE](#) to find out more.

#### Don't forget.....

HSA in partnership with Morrison's supermarket continues the **Coffee & Chat** each Wednesday between 10 and 11am why not come along next week? Have your shopping list ready as there will be staff on hand to shop while you chat! No need to book, just turn up.

**Businesses Against Scams** webinar, 24<sup>th</sup> November at 10.30am- noon.
